

Position: Children's Pastor – Full-time

Looking for a charismatic, spirit filled, self-motivated pastor for the children of Millbrook Christian Assembly, and to reach the children of our community.

Current expectations include Sunday ministry, midweek ministry, as well as P.A. Day Camps and 2 weeks of Summer Day Camp.

We also recognize the growing need in the community for an after-school program for public school children, as our community is growing quickly. Our children's pastor would be asked to work on designing and implementing a program to assist in meeting this need.
